1 Unpack

2 Install ink cartridges

3 Load paper

Let's get started. Follow the step by step instructions. You can also download a more detailed Extended User Guide to help you with your new printer. When instructed (#8 of this Start here Guide) you will need to download software to your computer from our website. There are also instructions and links to install apps on your mobile device (smart phone or tablet) and connect your printer to your wireless network for wireless printing and scanning.

If you have read your instructions and still need assistance, you may access our online help at:

www.kodakverite.com/support

Enter below the model and serial numbers which are located on the back side of the device. Retain this information for future reference.

Model No.: 
Serial No.: 

Windows and the Windows logo are trademarks of the Microsoft group of companies in the United States and/or other countries.
Mac and the Mac logo are trademarks of Apple Inc. registered in the U.S. and other countries.
